## SOLIDARITY Ad Book

## Solidarity: A Letter from our Executive Director

This year has been another exciting year for Missouri Jobs with Justice and for working people throughout the United States. We continue to see workers across Missouri and the country reevaluate priorities, understand the power of their collective voices, and demand corporations put people over profits. And you all have shown up in solidarity—attending collective actions, throwing community support behind workers forming unions, and helping us make our labor movement stronger and more multiracial and working class. Thank you for standing strong at every opportunity to promote workers' rights and economic and racial justice.

We also know that direct action from workers, while the most important way to flex our collective power, can't be our only strategy. We continue to work towards local and statewide policy gains. Pro-worker issues like increasing the minimum wage, expanding unemployment benefits, and passing earned paid sick leave are popular policies with Missourians but continue to be ignored by our elected officials.

Missouri also remains a very polarized and conservative state. Breaking through these attitudes takes patience, love, and clarity about why folks are making the choice to elect anti-worker and anti-democratic candidates and build enough trust to shift them into solidarity with a multiracial base of poor and working class Missourians. With over a year into our deep canvassing and organizing program we have knocked over 150,000 doors, engaging in conversations with working people across Missouri about wages, paid sick leave, the health of our democracy and other issues that are front of mind for working people in our state. These conversations break through the lies and distortions spewed by our opposition and orient voters toward a vision of the future—and of their own self-interest—that is rooted in multiracial solidarity and mutual thriving.

While it can be hard to hold onto hope, there are so many opportunities ahead to shift the conversation back to workers and an economy that works for everyone, not the few. But we need you to make it possible. We are figuring out new ways to come together, build relationships and align on values. It is giving us renewed energy and purpose, and leaders and institutions like yours make it possible. We urge all of our friends and supporters to recommit themselves to building an economy and democracy that works for all of us—Black, Brown & white, and to the continuing fight for Jobs with Justice.

In Solidarity,

Caitlyn Adams  
Executive Director

## SANCTUARY -in the ordinary-

SITO's mission is to strengthen people and neighborhoods by efficiently revitalizing and compassionately managing dignified rental housing for lower-income residents.

We seek to meet the housing needs of the city's current residents where they are and to conserve sound housing where it exists.

# Be Part of the Movement for Jobs with Justice!

## Missouri Jobs with Justice Membership Form

### *Organized People*

Missouri Jobs with Justice is a coalition of individual members and organizations throughout our state who are committed to building a powerful multi-racial movement to achieve social, racial, and economic justice for all. We are working together to build a more just world where we can all thrive.

Real change happens from the ground up, in church basements and union halls, at community centers and on front porches. We believe that power is made up of organized people and organized money. While the richest 1% and the politicians they bankroll work to divide us along racial, geographic, and economic lines, we must build power together.

To build the Missouri we want to see and the Missouri that our families need, become a member of Missouri Jobs with Justice by paying dues of no less than \$5 per month and by taking the Jobs with Justice Pledge below.

### *Organized Money*

*I will support this work financially:*

By becoming a **Sustaining Member** through **Auto Donation** on my credit or debit card. Donate the following amount on my card each month:

\$50/month     \$20/month     \$10/month     Other \$\_\_\_\_ / month

With a **one-time donation** of \$ \_\_\_\_\_     Card     Check     Cash

Debit/Credit Card Number \_\_\_\_\_ Exp Date \_\_\_\_/\_\_\_\_ 3 digit code \_\_\_\_\_

Name \_\_\_\_\_ Email \_\_\_\_\_

Home Address \_\_\_\_\_

Cell Phone Number \_\_\_\_\_  I would like to receive text messages updates

### *Solidarity Pledge*

I will **BE THERE** to fight for an economy, a democracy, and a Missouri that works for all of us, no matter the color of our skin, our zip code, or what's in our wallets. I commit to **BE THERE** at least five times a year:

- Standing up for our rights as working people—Black, Brown, and white—to good jobs and healthy communities;
- Supporting the right of all workers to organize and bargain collectively;
- Fighting for fair wages in the face of corporate greed;
- Fighting against white supremacy wherever I encounter it, and standing up for racial justice;
- Organizing the unorganized to take aggressive action to secure a better future for all of us;
- Mobilizing those already organized to join the fight for *Jobs with Justice*.

**Thank you for joining the movement for Jobs with Justice in Missouri!**

By becoming a member you will receive regular updates and invitations to take action with Missouri Jobs with Justice. An organizer will reach out with you soon to explore how you can get more involved in building power in your community and across our state! Please return your membership form to [info@mojwj.org](mailto:info@mojwj.org) or to 2725 Clifton, St. Louis, MO 63139.

*Donations to Missouri Jobs with Justice are tax deductible.*
