BUILDING POWER TOGETHER

MISSOURI JOBS **WITH** JUSTICE

CELEBRATING OUR WORK AND LOOKING AHEAD

2026 has been a year of pushing back against political power grabs, welcoming new people into the fight for Missouri's working families, and building broader coalitions rooted in a shared vision for the Missouri we all want and need.

You are the reason we keep going. Alongside thousands of other Missourians, you are part of a growing community of people who are fed up with a system that too often puts powerful interests ahead of working people. **And, you are choosing to do something about it.**

Over the past year, we have seen just how powerful that kind of organizing can be. We have knocked on doors, gathered signatures, built new leaders, had hard conversations, and stood up to politicians who tried to take away the progress Missourians had fought for and won. At Missouri Jobs with Justice, building a real democracy is not something we simply vote for every few years. It is something we must constantly build together.

We know progress is rarely a straight line. There will be setbacks. There will be moments when the forces standing against us seem bigger, louder, and more powerful. But we also know something they want us to forget: **we have each other.** And when we organize, build relationships, develop leaders, and stay in the fight, we can change what is possible.

The challenges ahead are real. But so is our opportunity.

We have an opportunity to build deeper and more durable power across Missouri. To bring more people into this movement. To develop new leaders who can find more people. To strengthen the relationships that will carry us through the next fight—and the one after that. We are not waiting for someone else to save us. We are building the power we need, together, one conversation, one relationship, one leader, and one fight at a time.

Thank you for being part of this movement and for believing working people must lead the way.

In solidarity,

Caitlyn Adams
Executive Director

The background is a collage of various images related to the Missouri abortion referendum. It includes a crowd of people at a protest, several signs with slogans like "MISSOURI WORKERS CENTER", "KEEP ABORTION GAL", "KEEP JOBS", and "JUSTICE", and a caricature of a man in a suit and sunglasses labeled "THE PUPPETMASTER". The text is overlaid on this collage in a bold, distressed font.

We stand with Missouri Jobs with Justice in the fight for economic fairness and opportunity.

From protecting workers' rights and collective bargaining to expanding access to affordable healthcare and defending our democracy, **we believe every Missourian deserves the chance to build a secure future.** Together, we work to strengthen the middle class, support working families, and create an economy that works for everyone—not just those at the top.

Because Missouri works best when working people have a voice.
